

Environmental Health & Safety (EHS) Policy

Samabhavana Society has determined to proactively implement Environmental Health & Safety (EHS) policy.

Our Environmental Health & Safety (EHS) policy is consistent with our motto 'Happiness to All'. We feel that as a Not for Profit Community based Organization; we have to commit to the global call on environment protection & strive to minimize the harmful impact of global warming on communities.

This call is of most urgent nature and effecting entire humanity & civilization itself, in our own small way we pledge to contribute to this cause.

We shall:-

- 1 Impart environmental education to all our employees & our target communities and Strive to create awareness on this issue.**
- 2 Strive to conserve natural resources by using them frugally especially, electricity, water, etc in our offices & promote the same attitude with our employees & communities.**
- 3 Strive to generate minimal waste at our workplaces. Especially by reducing use of paper, avoiding usage of disposable plastic cups, containers and promote use of Biodegradable items.**
- 4 We will segregate our garbage into recycle & waste as per guidelines of local government legislation**
- 5 In all our projects especially ones generating sustainability ensure that they are efficient in use of energy; minimize generation of waste, dispose waste safety & responsibly by using environmental safe technology & process.**
- 6 Support initiatives of our fellow Non Government Organisation's working on environmental issues and lobby for better & firm laws on environmental safety and also promote organizations providing alternate renewable energy technology.**
- 7 Include animal welfare especially protection of endangered species in our environmental policy and continue to support fellow Non Government Organisations working in this field.**
- 8 Promote the Environmental agenda at every available avenue of our various projects and training.**
- 9 Continuously monitor our efforts in this direction.**
